

PRESENTS:

1514 SQUARE VANITY BOWL

Including New and Unique Design Features:

- **Sloping Front, Away From User**
 - Eliminates splash back to user and allows for easy ADA compliant installation
- **“Offset” No Direct Splash Drain**
 - Keeps any mold or bacteria that may accumulate in drain from splashing back into bowl
- **Made Using Eco-Friendly Resin**
 - 15% post-consumer waste and 5.5% rapidly renewable material content which can help earn your project LEED points
- **Solid Surface Material**
 - Solid, non-porous, hygienic, easy to clean surface

**Perfect for Hospitals, or Hospitality Areas or Anywhere
Cross Contamination is a Major Concern!**
